

Company Profile:

1. Company Overview

Neroban Consultancy Limited is a Nigerian company dedicated to driving sustainable growth and operational excellence for organisations across the nation. We provide integrated solutions in human capital development, community empowerment, and supply chain management. By combining training expertise with robust logistics support and the supply of high-quality merchandise, we enable our clients to focus on their core business. At the same time, we handle the complexities of workforce optimisation and operational delivery.

We work with corporate organisations, government agencies, NGOs, schools, SMEs, and community groups to build capacity, foster inclusion, enhance productivity, and promote brand excellence.

We are committed to fostering positive change not only within the organisations we serve but also in the broader communities in which we operate.

2. Our Core Services

Neroban Consultancy is structured around four key service pillars designed to offer comprehensive support to our clients:

- **Training and People Development:** We design and deliver customised training programs that equip workforces with the skills needed to excel. Our approach covers leadership development, technical skill enhancement, and soft skills training, aligning employee performance with strategic business objectives.

-
- **Merchandise Supply:** We offer a reliable and efficient supply of quality merchandise to meet business and promotional needs. From corporate gifts and branded items to office and operational supplies, we ensure timely procurement and delivery that supports our clients' branding and operational requirements.
 - **Logistics and Deliveries:** Our logistics arm provides seamless, end-to-end delivery and supply chain solutions. Whether managing local distribution, coordinating large-scale deliveries, or handling complex logistical challenges, we prioritise speed, accuracy, and reliability to ensure goods are delivered when and where they are needed.
 - **Community Development:** We are committed to making a tangible impact through strategic community development initiatives. By partnering with local stakeholders and community leaders, we implement projects focused on education, economic empowerment, and social infrastructure, creating sustainable benefits and fostering goodwill.

3. Our Mission and Vision

- **Mission:** To be the preferred partner for organisations in Nigeria by providing integrated solutions that build capacity, enhance operational efficiency, and foster community development.
- **Vision:** To become a leading consultancy firm recognised for driving socio-economic development through excellence in human capital and supply chain solutions.
